The payment method for this tariff is Profiled Monthly Direct Debit* only.

Customers agree to a minimum 12 month contract, or length of their tenancy which ever is the shorter.

Exceptional Charges: Meter Installation Fee: £50
IGT Fee: £150

* from 1st October 2009, for new customers, monthly collections will be estimated at the start of the contract to reflect expected energy usage over the following 12 months.

Tariffs valid from 1 July 2009

Dual fuel loyalty bonus £35 credited in month 13 after 12 months continuous supply.

Tariffs Discontinued from 1 May 2008

Apply the following discounts to the Standard tariff to arrive at the correct discounted tariff

Discount	10.30%	<p>Conditions of Tariff</p> <p>Note: This tariff was only available to dual fuel customers who signed up online. Customers were not required to provide an email address. The tariff came with an online annual discount of 10.3% and was only available to customers paying by continuous monthly direct debit. The discount amount will be paid as a credit to the customer on the 13th month if the customer stays for 12 months. The direct debit is set at 1/12th of the gross figure, so that it is not affected by the discount.</p>	
Online Discount	15.50%	<p>Conditions of Tariff</p> <p>Note: This tariff was only available to dual fuel customers who signed up online AND provided an email address. The tariff came with an annual discount of 15.5% and was only available to customers paying by continuous monthly direct debit. The discount amount will be paid as a credit to the customer's account on the 13th month if the customer stays for 12 months. The direct debit is set at 1/12th of the gross figure, so that it is not affected by the discount.</p>	
Direct Discount	17.29%	<p>Conditions of Tariff</p> <p>Note: This tariff was only available to dual fuel customers who signed up direct with Spark Energy through our website comparator tool and provided an email address. This tariff was not available for sign up via 3rd party switching agents but should have appeared on their listings. The tariff came with an annual discount of 17.29% and was only available to customers paying by continuous monthly direct debit. The discount amount will be paid as a credit to the customer's account on the 13th month if the customer stays for 12 months. The direct debit is set at 1/12th of the gross figure, so that it is not affected by the discount.</p>
